STAT

Dear Walter,

As I promised this afternoon, I'll enclose a set of page proofs (reduced in size, but I hope still legible) for the handbook we are preparing on DCIs and DDCIs. I am grateful for your offer to comb it for errors, which I hope are few.

I shall also be grateful for any light you can shed on Admiral Hillenkoetter's reappointment and Senate confirmation (if there was one).

With many thanks and all good wishes,

Sincerely,

/s/
